Japan has to offer.

With non-stop daily flights
from Auckland to Tokyo,
you can enjoy a world
class service to the
heart of Japan with
Air New Zealand.

AIR NEW ZEALAND 

A STAR ALLIANCE MEMBER 

Welcome to the 14th JAPAN DAY

Harumasa Murayama 村山 晴政
Chairman of Japanese Society of Auckland

Thank you everyone for taking the time to come along today! It gives me and my Japanese friends great joy to see the increasing interest that this community is showing in Japanese culture.

Auckland is a vibrant melting pot of nationalities and cultures. The flow-on benefits for the community include an increased selection of international food, a variety of cultural events and, more importantly, a greater understanding between the different cultures.

For those of you who regularly attend the Japan Day events, you will know that we have traditionally held the annual event at the ASB Showgrounds. This year, we felt it was time for a change. Our decision to hold the event at the Cloud and Shed 10 shows, in part, our recognition of the trending acceptance of and interest in Japanese culture by the general public. We wanted to bring the event to the heart of the city - a convenient and lively place which is accessible to all.

Today's Japan Day event is our 14th Annual Event and, as always, we are excited to share the wonderful selection of food, workshops, cultural displays and performances with you. However, it is your participation that makes this event so special. For this, we would like to extend our heart-felt appreciation. We hope that you enjoy the festivities today!

HONDA

2015 CRV

In 1996 Honda introduced the CRV to New Zealand and created the SUV class. The 2015 CRV reclaims that legacy with a bold new look, added luxury, enhanced design detail and 18" alloys. Combined with advanced technology including LaneWatch Camera, Emergency Stop Signal, Reverse Camera, Touchscreen and Navigation, the new CRV once again takes the lead.
